## From the Dean

Thank you to everyone who attended our October meeting with Dr. Bradley Welch. I especially want to thank Jamie Garvey for hosting the program and Mark Dickens for all the work he did to make it a success! It was an interesting and informative program that explored various facets of accompanying choral anthems on the organ. Everyone who came learned at least one new thing they could add to their accompanying skills.

I hope you will be able to attend our November program entitled "Encores: Favorite Preludes and Postludes." It will be held at First Baptist Church in Augusta on Monday the 18<sup>th</sup>. If you are like me, it's always fun to find "new" pieces to add to our repertoire. A master list of all the submitted pieces will be handed out that evening.

It's not too late to send me the names of a few of your favorite prelude and postlude pieces. I'm especially interested in highlighting compositions that aren't as well known. Let me know if you would like to perform one of them at the meeting.

I look forward to seeing you at our November program!

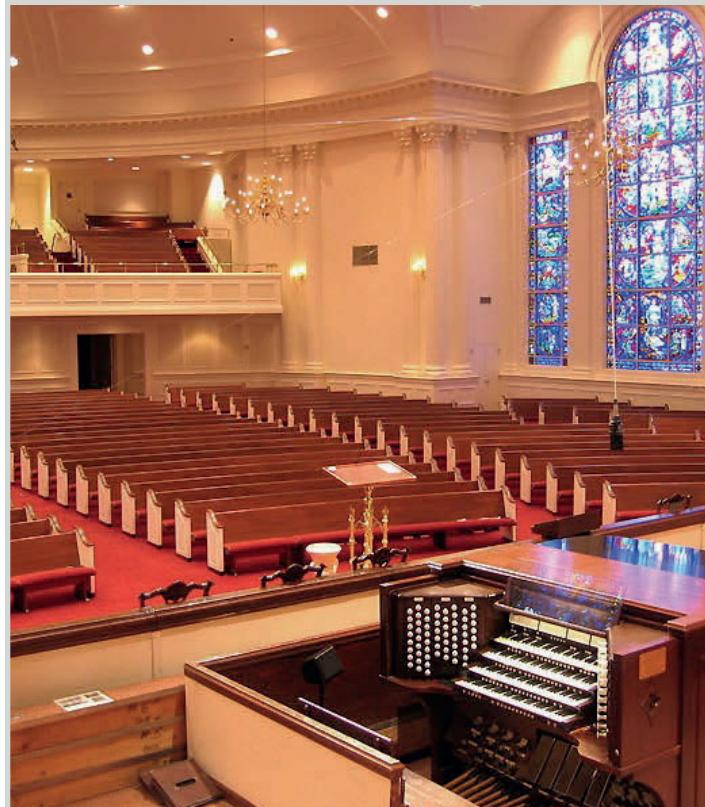

Sincerely,

W. Leigh Fleury, DMA - Dean
